

Year 5

Spring Term 2020

'To be or not to be...'

- **As Writers and Readers we will be studying:**
- We will also focus on the features of poetry.
- Shakespeare plays: "Macbeth" and "Romeo and Juliet"

As Mathematicians we will be learning about:

- mental addition and subtraction
- fractions
- formal methods for multiplication
- properties of 2D shapes
- angles
- measures

As Geographers we will be:

- Looking at how different countries work together to invent new materials
- Studying the Roman empire and its location

As Historians we will be learning:

- About the importance of bronze, iron and clay
- About wax, papyrus and paper

As Athletes we will be learning:

- Yoga
- Gymnastics
- Hockey
- Swimming

As Musicians we will be:

- studying a song "The three note bossa" by Ian Grey
- learning to sing and improvise with this song

As Computer Technologists we will be developing and interactive game using Scratch and continuing our Online Safety.

As God's Children we will be:

- Learning about inspirational leaders in our community
- Investigating what inspires people in their mission
- Showing how our beliefs and values inform and shape the way we carry out our mission in the community
- Looking into particular and significant memory
- Making links between memories and behaviour

As Artists we will be:

- Learning how artists use different materials in their work
- How to choose materials to express an idea

As Scientists we will be studying :

•Living Things and their habitats

(describing the differences in the life cycles of a mammal, an amphibian, an insect and a bird; describing the life process of reproduction in some plants and animals; observing life-cycle changes in a variety of living things)

• Making New Materials

(comparing and grouping together everyday materials on the basis of their properties; using knowledge of solids, liquids and gases to decide how mixtures might be separated)
