

Welcome All!

Issue 2- Autumn 2020

From your Support, Time and Resilience (STAR) Workers and the Primary Mental Health Team (PMHT) at Havering Child and Adolescent Mental Health Service (CAMHS). We hope you have been able to relax and enjoy your summer after a very challenging few months. This is the second issue of the Havering CAMHS Wellbeing Newsletter. In this you will find up-to-date information about support services available in Havering for parents/carers, children and young people. Firstly, an update from us:

There have been a number of changes to the way we work due to COVID-19/social distancing measures. PMHT and STAR Workers have been moving towards a virtual delivery of services until it is feasible to meet in person again. This includes virtual drop-ins and consultations. These have worked well so far, with feedback highlighting the ease of access and timely responses to student queries.

STAR Workers and PMHT are now jointly allocated to a cluster of schools, meet the team:

Together, we raise awareness of emotional wellbeing and support services in the community. We attend parents evenings, open evenings, coffee mornings and school nurse drop-in sessions to talk through concerns around wellbeing. We do this by providing resources, information and signposting to services in Havering to support yours and/or your child's needs. We also offer regular school consultations, virtually at present via Zoom/WebEx, **which any member of school staff** can attend to discuss their concerns about particular students.

Dates for future consultations will be shared and invites sent closer to the time by your allocated STAR Worker.

Primary School

HEALTH LITERACY FOR PRIMARY SCHOOL

Health Literacy sessions will be delivered **in schools or virtually due to COVID-19** by Health Librarians from Aubrey Keep Library for health literacy awareness. Health literacy is being able to understand and use health information to make well-informed decisions.
