

Year 1

Autumn Term 2021

'The Magic Toymaker'

As Writers we will be learning to...

- Write labels and captions.
- Write simple sentences with a capital letter and a full stop.
- Sequence simple sentences to write our own stories about toys.
- Spell high frequency words and words containing the phonemes we have learnt.

As Mathematicians we will be studying...

- Grouping and sorting objects.
- Finding one more and one less than a given number.
- Using part-part-whole models
- Number pairs to 5, 6, 7, 8, 9 and 10.
- Ordering numbers and finding missing numbers on a number line.

We will also be learning about money in our magic toy shop!

As athletes we will be learning to...

- Develop our running and jumping skills.
- Perform a sequence of movements to music.
- Move and balance in different ways.

As Musicians we will be...

- Listening to and discussing different genres of music.
- Learning how to use our voices expressively by singing and chanting different songs and rhymes.

As Historians we will be...

- Finding out about toys and games from the past, understanding the difference between past and present
- Discovering out how we can learn about history in different ways and answer simple questions about the past
- Learning how to identify if a toy is old or new.

As Computer Technologists we will be...

- Finding out how to be safe on the internet.
- Understanding algorithms

As Scientists we will be...

- Learning how to sort toys based on what they are made out of.
- Conducting a materials experiment in order to keep teddy dry.

As God's Children we will be:

- Discussing how families show love and care to each other.
- Reading Psalms and discussing how they teach us about God's love for us.

Learning about Judaism and the story of Abraham.

As Artists we will be...

- Learning about colour mixing.
- Learning how to use different tools and equipment.
