

Your child will have been given a Numbots log in.

1. Go to google, type in Numbots
2. Follow the on screen instructions to login as a child
3. Select challenge
4. Complete the questions as quickly as you can!

Remember to keep your passwords private. The only people who should know the password will be parents, the child and their teacher. If you lose your password please email: computing@st-josephs.havering.sch.uk.

Thank you
