

Welcome to St Joseph's

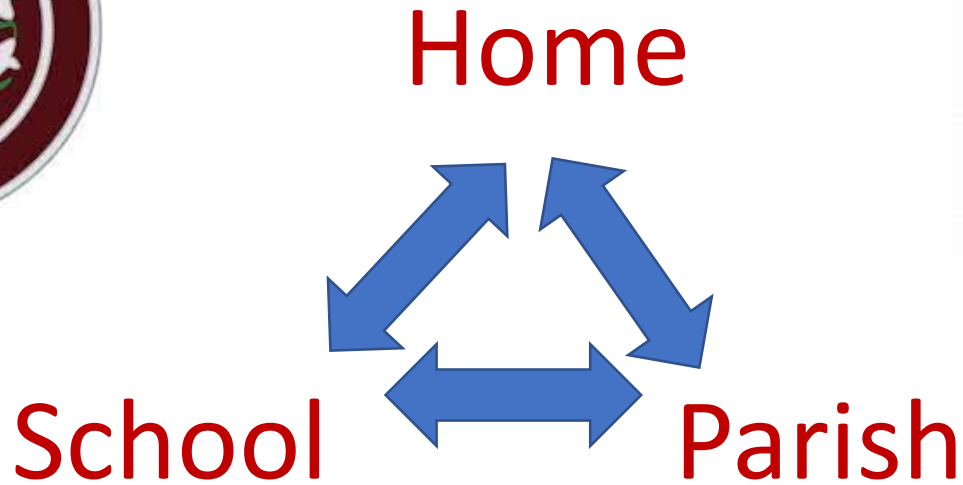

Our Mission Statement

St. Joseph's is a joyful community which follows the example of Jesus, helping, accepting and respecting everyone, as we learn and grow together, safe in His love.

**Our Father, Who art in Heaven,
hallowed be Thy name;
Thy Kingdom come,
Thy will be done
on earth as it is in Heaven.
Give us this day our daily bread;
and forgive us our trespasses as we
forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.
Amen.**

Partnership

Your Role as your child's primary carers and educators.

Our Role is to support you as your child's primary school educators.

The Parish role is to support your child's opportunity to grow in their faith.

Our Partnerships are vital in what will be a seven year relationship.

Our School Profile

- **Catholic Primary School**, although we have children from many different backgrounds.
- Expectation that families fully support our **ethos**. **All children** are present for assemblies, services, Masses and for whole school, phase or class celebrations.
- Children join at 4 years old and leave at 11 for secondary school.
- Main secondary transition to Sacred Heart, The Champion and Coopers.
- **2 form entry** – two classes of 30 children.
- First year is called Reception, then Years 1-6.
- **Safeguarding and well-being** is a priority here at school and the children are taught and encouraged to speak to the adults if they are worried or upset about anything going on in their lives.
- We are proud of the **broad and rich curriculum** and our extra-curricular opportunities.
- Mainstream school and we are fully **inclusive**. Children here work at the level which matches their stage of development and their current level of knowledge and understanding. We support children with a range of **SEND**. We are proud that all our children make **progress** throughout their time here – sometimes small steps, sometimes in an accelerated way.
- **Standards /Pupil Progress /OFSTED and Diocesan Inspections** - further information can be found on the website.

The Early Years Foundation Stage (EYFS)

Our children in Reception follow the **Early Years Curriculum** and learn through play both **inside** and in the **outside** classroom.

We ensure that our children feel secure and that they develop self-confidence and resilience through their daily learning.

We consolidate their skills through **Planning in the Moment** where their individual interests and needs are nurtured and developed.

We also teach discreet **Phonic** and **Maths** lessons daily.

Starting school life here...

Before September...

- Carefully planned format.
- Taster session for the children.
