2 December 2022

Dear parents

You are now receiving the final version of our Ofsted report following our recent inspection. The inspection process is an extremely rigorous one and I am delighted that the Inspection team recognised the hard work of our children and staff, not just in the outstanding outcomes the children achieve, but also in the commitment they show to serving others in the local and extended community. These results cannot be achieved without the dedication and commitment of our hard-working staff and parents. St Joseph's is truly a joyful community built on faith and where children are encouraged to develop a love of learning and one where they can build friendships and relationships which will serve them well in their journey through life.

As governors, we already know how dedicated and committed all the staff are, and how they encourage our children to make the most of the opportunities available at St Joseph's. It is very special and rewarding to see this recognised by the Inspection team.

I would like to take this opportunity to thank you for your responses to the Ofsted questionnaire which were very encouraging. I would also like to express my great thanks to Mr Ross and his senior colleagues, Mrs Durell and Ms Wilson, in leading their colleagues through the inspection process and achieving the very pleasing outcome.

I am sure you will join me in congratulating Mr Ross and his excellent team and wish them a very well-earned break over the Christmas period.

Yours sincerely

Angela Podmore
Chair of Governors

St. Joseph's is a joyful community which follows the example of Jesus, helping, accepting and respecting everyone, as we learn and grow together, safe in His love.
