

Permission to Photograph Your Child - Consent Form

1. This form is valid for the period your child attends this school. If you have given appropriate consent, some images of your child may be used after this time in publicity material and on the school website. If you wish these images to be withdrawn after your child leaves the school please contact us in writing.
2. Consent can be withdrawn at any time by contacting the school in writing.
3. The images we take will be of activities that show the school and children in a positive light. Images may also be taken of children in our breakfast and after-school club.
4. We may use group or class photographs or footage with very general labels e.g. 'science lesson'.
5. If we use photographs of individual pupils on the website or in publicity material, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.
6. If a child has won a special award we will obtain explicit consent from the parent before using both the image and child's name.
7. We will make every effort to ensure that we do not allow images to be taken of any children for whom we do not have permission or who are 'at risk' or disallowed from having their photographs taken for legal or social reasons.
8. We will take all reasonable measures to ensure the images are used solely for the purposes for which they are intended and not passed on to any third-party websites or publishers.
9. Consent will continue to be requested, separately, for each school trip/sporting event where the organisers could ask permission to take photographs to promote their event.

Please note that websites can be viewed throughout the world and not just in the United Kingdom where GDPR applies. In giving your consent, you understand that images may be used in printed and electronic form.
